

CORRIDORS OF OPPORTUNITY IN LOUISVILLE

ECONOMIC DEVELOPMENT DEPARTMENT

BENEFITS NEIGHBORHOODS WITH QUALITY RETAIL SERVICES

- Identifies Retail Development Sites
- Recruits Retail Services & Developers
- Provides Demographic & Other Information for Site Selection
- Introduces Financial & Infrastructure Incentives like:
 - Gap Financing
 - Façade Loan
 - Retail Forgivable Loan
 - Public Improvements
Streetscape, Landscaping, etc.
- Facilitates the Approvals Process

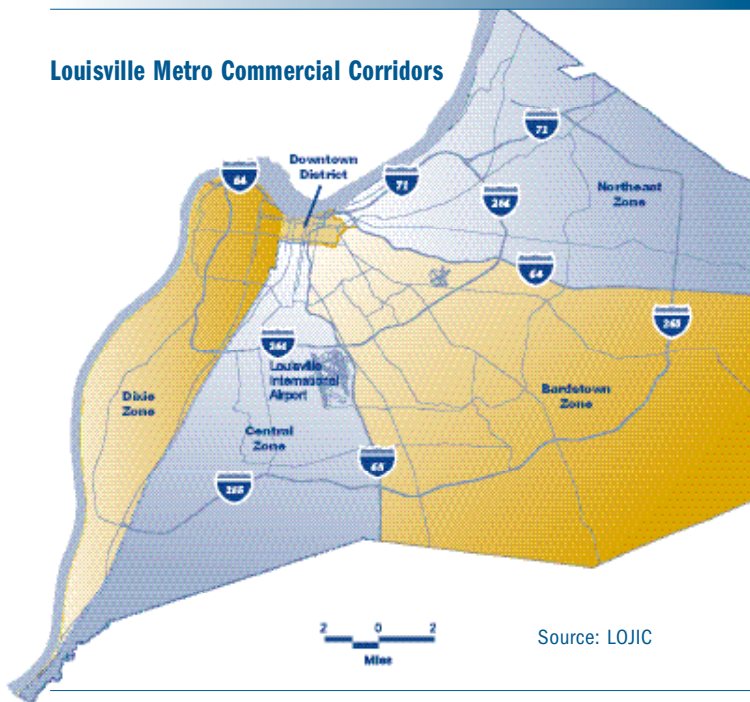

One of my priorities is to enhance the quality of life in neighborhoods by developing quality shopping and service opportunities along Louisville's commercial corridors. To that end, I have established the COOL (Corridors Of Opportunity in Louisville) program and a Retail Development Division of the Economic Development Department to facilitate retail projects in these areas.
